SUMMARY

Java Full Stack Developer with experience in building scalable web applications using Spring Boot and React (Vite). Skilled in REST API integration, Postman testing, JUnit/Mockito, Git, and MySQL. Strong focus on clean code, Agile collaboration, and efficient development.

WORK EXPERIENCE

Java Full Stack Developer, Cognizant Technology Solutions   June 2025 - present

Worked on developing and maintaining full-stack web applications, focusing on **backend logic**, **API integration**, and **frontend responsiveness**. Contributed to building scalable features, debugging issues, writing unit tests (**JUnit/Mockito**), and ensuring smooth data flow between layers. Collaborated in **Agile** teams to deliver clean, efficient, and user-friendly solutions.

PROJECTS

Digital Bookstore Management System   Project link

Developed a comprehensive Digital Bookstore Management System using microservices architecture, integrating backend services with a responsive frontend. The system supports full e-commerce operations including user management, book cataloging, order processing, and reviews.

Key Highlights:

- Built 7 independent microservices using Spring Boot, orchestrated via Netflix Eureka and Spring Cloud Gateway.
- Implemented role-based authentication, shopping cart, and admin portal.
- Used OpenFeign for service-to-service communication and JPA with MySQL for data persistence.

EDUCATION

2021 - 2025	Bachelor's Degree at **Sathyabama University**	(CGPA: 8.5/10.0)
2021	Class 12th State Board	(Percentage: 85)
2019	Class 10th Some Board	(Percentage: 78.2)

SKILLS

Core Development	Frontend & Styling	Backend & Data	Tools & Infrastructure
Java, Spring Boot	HTML, CSS	SQL, MySQL	Git (Version Control)
JavaScript, React JS	Tailwind CSS	Postman (API Testing)	Docker (Containerization)
JUnit, Mockito (Testing)			

LEADERSHIP

- **Class Representative (CR)** during training: Served as the primary point of contact and communication channel between trainees and management/instructors, successfully coordinating schedules and gathering feedback to ensure a highly productive training environment.
